SIFA EVENTS

SIFA Events is the talent management and booking arm of the SIFA brand. SIFA Events brings the simplicity of the latest technology, providing event coordinators a simple method to book talent for their venues. Artists at SIFA Events carefully selected for their nation-wide renown for providing the best of what each genre has to offer, aiming to create the most immersive and engaging experience for patrons.

SIFA Events manages some of Australia's premier DJ talent across all EDM genres including RnB, house, trance, and more. SIFA artists have appeared at dozens of EDM events ranging from headlining club shows all the way up to major festivals including Summadayze, Parklife and Future Music festival. Current SIFA artists include DJ Jewel, DJ Sarez, Jase Kemp, DJ Kwenda and MC Kirk.

SIFA TOURING

SIFA Touring is SIFA's domestic and international touring agency, presenting domestic and overseas artists to thousands of adoring fans. SIFA Touring has brought out artists with worldwide popularity and acclaim, most notably the successful dancehall superstar Sean Paul with soul singer Mya tour in November of 2015.

Matter Expert on legacy communications systems within various departments of Telstra, including financial, Foxtel, telecommunications and power.

SIFA EVENTS

SIFA Events is Australia's premier DJ talent agency. SIFA promotes the best DJ talent Australia has to offer. SIFA helps their artists find and maintain private and corporate clients, as well as coveted performances within the electronic dance music (EDM), house, trance and broader electro scene both here and abroad.

The SIFA brand encompasses three distinct arms:

- SIFA Events, offering DJ talent management and booking for our roster of premium artists;
 - SIFA Touring, looking after international DJ booking and promotion, and;
 - SIFA Academy, a new venture providing budding DJs real-world training and a foundation for success in the lucrative DJ industry.

SIFA Events is renowned for connecting artists to premier gigs in the private, corporate and club world. SIFA selects DJs based on stringent criteria, so you know you're spinning decks among the best.

SIFA artists have appeared at dozens of electronic music events ranging from headlining club shows all the way up to major festivals including Summadayze, Parklife and Future Music festival. Current SIFA artists include DJ Jewel, DJ Sarez, Jase Kemp, DJ Kwenda and MC Kirk. By joining SIFA Events, you're in the hot seat for DJing success.

SIFA Touring is SIFA's domestic and international touring agency, presenting and promoting high profile artists to Australian fans. SIFA Touring successfully promoted shows featuring dancehall superstar Sean Paul with soul singer Mya tour in November of 2015.

SIFA Academy is the latest and most exciting addition to the SIFA brand. SIFA Academy is a client-focused educational program designed to give new DJs a leg up in the \$6.9 Billion global DJ industry. The three-day intensive package is your gateway to learn practical DJ skills, market yourself as an artist and build an inspiring career as a mobile and touring DJ. SIFA Events represent all graduates, which enter the world fully prepared with an industry-ready portfolio of professional photos and video content.

The earning potential for a mobile DJ with SIFA Events is higher than ever before, owing much to SIFA's streamlined online management system. Using our contacts and systems, SIFA assists DJs to find gigs both as a private mobile DJ, a corporate MC or a coveted club show. Once you graduate from SIFA Academy, you're part of the SIFA Events family.

S I F A

Because we're a family, SIFA Events supports its DJs like family.

We assist them in whatever way possible. When you're with SIFA Events, you gain:

- Unparalleled access to insider knowledge and DJing skills, provided by world-renowned touring DJs
 - Backing by a nationally respected brand, known for its professionalism and quality
 - A chance to travel both domestically and internationally
- Intensive tuition using the latest DJing equipment, including the top of the line Pioneer CDJ-2000 and NXS-900
 - Opportunities to work with fellow creatives in the electronic music scene
- Expand your talents your way – delve into EDM, trance, house, trip hop, hardstyle and more
- The SIFA Advantage – access to our NEW booking and management system, sifaevents.co
- A reputation for excellence, sitting on the same roster as international acts such as :
DJ Sarez, Jase Kemp, DJ Kwenda and MC Kirk.

If you are passionate about DJing and electronic music, SIFA Events wants you! It doesn't matter if you've only dreamed of spinning decks or know your way around a CDJ, SIFA Events is your helping hand to a rewarding DJ career.

Stop dreaming and start spinning! If you are hungry to learn from the best, dedicated to your craft and prepared for hard work that really pays off, SIFA wants to hear from you. If you love to spin, SIFA is your in!
